

Lesson 22: How to Make an Appointment

By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Jack: Terumi, are you free on Tuesday night?

Terumi: I'm not sure. Why?

Jack: If you are available, we could start our research assignment.

Terumi: Tuesday might not be a good time. **What about** Thursday?

Jack: Thursday is good for me. What time would suit you?

Terumi: I'm free from 6:00PM. I'll see you then.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. A: What time should I pick you up? B: **What about** five o' clock?

2. A: How's your mother? B: She has just retired from work. **What about** yours?

3. A: Mom, I'm going to the movies with my friends tonight. B: **What about** your exams tomorrow?

* What about ...? / ...はどうですか?

3. Your Task

You need some help from your teacher for your school project. Ask your busy teacher (=your tutor) for an appointment. Your teacher will keep saying he's not available but politely insist on making an appointment.

4. Let's Talk

When was the last time you made an appointment with your friends? Tell your teacher about it. Have you ever made an appointment with a teacher? If you have, tell your teacher about it.

5. Today's photo

Describe the photo in your words as precisely as possible.
