

Lesson 27: Showing the Way

By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

David: Hello. Could you show me the way to the train station?

Kato: Sure. Just follow this path and then **turn right**.

David: Is there a big sign for it?

Kato: Yes. The sign is quite huge so you can't miss it.

David: Thank you. Oh, I also can't find the restroom.

Kato: Follow me. I'm headed that way.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. To get to the library, **turn left** at the end of the hallway.
2. Which way should I go? Should I **turn right** or **left**?
3. I'm lost. I should have **turned left** back there.

* turn right (left) / 右 (左) に曲がる

3. Your Task

You are walking down the street near your house. A man approaches you and asks you how to get to the train station. Give this man (=your tutor) directions to the nearest station.

4. Let's Talk

How do you get from your house to your school if you don't have a car? If you walk to school, what are the popular places or landmarks that you see on the way?

5. Today's photo

Describe the photo in your words as precisely as possible.
