First, repeat after your tutor. Then, practice each role.

Isao: Good morning, sir. How may I help you?

Peter: I'd like to transfer some money.

Isao: Where would you like to send it?

Isao: How much would you be transferring?

Peter: \$500. You can **take it from** my savings account.

3. Your Task

You would like to open a bank account. So you go to a bank and talk to a bank teller. Ask him/her to help you and explain your purpose for opening the account. The bank teller (=your tutor) needs to take your name, your address, the name of your parents and a lot more important information.

4. Let's Talk

Do you have a bank account? If yes, do you go to the bank to take out or put in some money? If you don't have a bank account, would you like to have one? Why or why not?

5. Today's photo

Describe the photo in your words as precisely as possible.
