

Lesson 52: Outdoors

By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Kay: Are you enjoying our picnic?

Masahiko: It's nice to eat under a tree. We should do this often.

Kay: Look at these cherry blossoms. You know, we can only see them once a year.

Masahiko: **I wish I could** see cherry blossoms all year long.

Kay: I'll sit here and read a book. You can go to the playground if you like.

Masahiko: It's alright, Mom. I can sit here and play with my video game.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. **I wish I could** jump like a kangaroo.
2. **Jack wishes he could** climb to the top of Mount Fuji.
3. **Akemi wishes she could** swim like a dolphin.

* I wish I could ... / ...できたらなあと思う。

3. Your Task

You are getting ready to go outside to ride your bicycle. You see that your bike's tires are flat so you take the bike to the nearest bike shop. Ask the bike mechanic (=your tutor) to repair your tires. You should also tell the mechanic to check the brakes. Ask him what time you can return for your bicycle.

4. Let's Talk

Do you often play outside? What kind of games do you play?

Which do you like better: playing video games in your room or playing games outdoors? Why?

5. Today's photo

Describe the photo in your words as precisely as possible.
