

## Lesson 56: Talking About Emergency Situations

By Xandra

### 1. Dialogue

*First, repeat after your tutor. Then, practice each role.*

Beth: (at work) Sir, can I go home early today?

Kenji: Is everything alright?

Beth: I just **got a call** from my house. There's been an emergency.

Kenji: I hope your children are okay.

Beth: My kids are doing fine. It's Benjie, our dog. He swallowed a Barbie doll's head.

Kenji: Oh! Poor Benjie. You'd better get home quickly.

### 2. Today's Phrase

*First, repeat after your tutor. Then, make a few sentences using Today's phrase.*

1. Did you **get a call** from Beth? She's having a party tomorrow.
2. (Talking to your child) I **got a call** from the school teacher. She said you fell asleep in class.
3. I wonder how Jack is doing. I don't **get calls** from him anymore.

\* get a call / 電話を貰う

### 3. Your Task

*You are home alone. You notice that your pet dog is lying on the ground and looks very sick. Call the veterinarian (=your tutor) and tell him/her the situation. Tell the veterinarian that it's an emergency situation so he has to come over to your house quickly.*

### 4. Let's Talk

*What's an emergency? Was there ever a time when you had to call your parents because of an emergency situation? If yes, tell your tutor about it.*

### 5. Today's photo

*Describe the photo in your words as precisely as possible.*
