By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Bryan: Can you believe this weather?

Tomo: I know, right? It's supposed to be spring now but it's still freezing cold.

Bryan: The forecast said it'll be this way for the entire week.

Tomo: It'll be hard to get up in the morning, that's for sure.

Bryan: I agree. I was late for work this morning.

Tomo: I think I might drive to sunny California for the weekend. Do you want to come with me?

Bryan: Count me in! I can't wait to **get a tan**.

Tomo: Okay. We'll leave Friday night. Right after we get off work.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. You look different today. Did you **get a tan**?
2. Maria doesn't need to **get a tan**. She has a natural bronze complexion.

3. Your Task

You are an exchange student in Brazil. Your Brazilian friends would like to know what winter is like in Japan. Give them (=your tutor) a good description of winter. Tell them about the fun you can have during this season. You can also say what you don't like about winter.

4. Let's Talk

What's the perfect weather for you? What do you look forward to doing during the winter and summer seasons? Have you ever experienced being sick because of the weather? Tell your tutor about it.

5. Today's photo
