

Lesson 63: Numbers/ Time/ Counting

By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Ben: (at a pizza shop) Hi. I'd like to order a small pepperoni pizza and a large soda, please.

Ichiro: (taking down the order) Would that be all, sir?

Ben: Yes. How much time will it take for the pizza to cook?

Ichiro: It'll be done in 15 to 20 minutes.

Ben: Great! I have to be back to work by 1:00PM.

Ichiro: You'll have plenty of time to eat, sir. It's only **ten past twelve**.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. A: What time is it? B: It's **ten minutes past eight**.

2. (Looking at his watch) Oh, my! It's already **half past eleven**. I have to hurry.

3. A: Excuse me. Do you have the time? B: It's **quarter past two**.

* ... (minutes) past ~ / ~時...分

3. Your Task

Your mother told you to look after your sick grandfather for two hours while she goes to the supermarket. When your mother (=your tutor) came back, she asked these questions: 1. Until what time your grandfather slept 2. How much water he drank 3. What he ate and how much. Give your mother all the information she needs.

4. Let's Talk

Talk about your daily routine with your teacher.

Say how long it takes to finish each activity.

5. Today's photo

Describe the photo in your words as precisely as possible.
