

[Lesson 31] Episode4_7: Who's That Woman? (女は多面体)

※テキストに一部性的な表現があります。不快な場合は、先生にその箇所を飛ばすようにリクエストして下さい。(灰色部分)

* This script contains sexual expressions. If you or student minds it, please skip the parts.

Cable guy: Hang on.

Carlos: You think you can have sex with anyone you want?

Narrator: Carlos **couldn't help but** feel proud of himself. After all he's just **defended** his honor. Or had he?

Carlos: Are you gay?

Cable guy: Yes. Is that why you're doing this?

Carlos: Yeah.

Paul: Ladies.

Lynette: Hey Paul, what's up?

Paul: I wanted to apologize for my **outburst** yesterday.

Lynette: Don't worry about it. We **unloaded a lot on** you.

Paul: I suppose you're wondering why I reacted so violently to that note.

Gabrielle: It did **cross our minds**.

Paul: Well the truth is, Mary Alice was not a well person. She was very **troubled**.

Lynette: Troubled?

Paul: At first it was harmless. She would leave herself notes, reminders like 'pick up the milk', or 'Zach has a dentist appointment'. But **over time** the notes became ugly. **Hateful** messages started **showing up**. Mary Alice was writing them to me, to Zach, to herself.

Gabrielle: Really?

Paul: That's why I lost it. I was reminded of what Zach and I had been through.

Lynette: Paul, I'm so sorry.

Gabrielle: We had no idea.

Paul: Well, anyway. I'd appreciate it if you **kept this to yourselves**.

Gabrielle: Yeah.

Paul: **For Zach's sake**.

Lynette: Of course, of course.

Gabrielle: Wow.

Lynette: Yeah.

Gabrielle: I think he's lying.

Lynette: So do I.

Lynette: Boys, could you get in here please?

Porter: He broke my plane!

Preston: Did not.

Lynette: We'll talk about that later. Right now I need you to take some medicine.

Porter: Are we sick?

Lynette: Not exactly. This is a special kind of medicine. Its like a vitamin, and you'll take it every day. Stay right there. Now open up.

Preston: Uh-huh.

Lynette: Here, you guys.

Narrator: In that moment, Lynette made a decision. **When it came to** dealing with her children...medication was no longer an option. Of course, given her continuing level of frustration, Lynette also felt that a little 'self medication' couldn't hurt.

Bree: So what's your strategy? Are you just never gonna speak to me again?

Andrew: Something like that.

Bree: I suppose I do **owe you an apology**.

Andrew: Careful, I wouldn't want you to **strain yourself**.

Bree: I shouldn't have lied to you about your father. You and your sister are old enough to handle the truth and I'm sorry.

Andrew: Keep going. I'm mad at you for about seven thousand other things.

Bree: If you think I'm gonna apologize for taking you out of a strip club, you're wrong! I consider it one of my **finest** moments. Andrew, I know you blame me for what's happening with your father, but it's not **entirely** my fault and I need you to understand that.

Andrew: I do. I just don't want him to leave.

Bree: Neither do I.

Andrew: Mom?

Bree: Yeah?

Andrew: When can I have my door back?

Bree: Three months.
